## **2. BASIS OF CONTRACT**

- 2.1 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- 2.2 The Order constitutes an offer by the Customer to purchase the Goods in accordance with these Conditions. The Customer is responsible for ensuring that the terms of the Order and any applicable Specification are complete and accurate.
- 2.3 The Order shall only be deemed to be accepted when the Supplier issues a written acceptance of the Order, at which point the Contract shall come into existence.
- 2.4 The Contract constitutes the entire agreement between the parties. The Customer acknowledges that it has not relied on any statement, promise, representation, assurance or warranty made or given by or on behalf of the Supplier which is not set out in the Contract.
- 2.5 Any samples, drawings, descriptive matter, or advertising produced by the Supplier and any descriptions or illustrations contained in the Supplier's catalogues or brochures or promotional materials are produced for the sole purpose of giving an approximate idea of the Goods described in them. They shall not form part of the Contract or have any contractual force.

2.6 A quotation for the Goods given by the Supplier shall not constitute an offer. A quotation shall only be valid for a period of 5 Business Days from its date of issue.

2.7 The Customer may not cancel an Order without the consent in writing of the Supplier, in which event the Customer shall pay the Supplier for all stock, finished or unfinished, that the Supplier holds or which it is committed to purchase in connection with the Order and all costs in relations to sub-contractors, services and materials incurred by the Supplier in connection with the Order.

### **3. GOODS**

3.1 The Goods are described in the Specification. The Customer is responsible for ensuring that the Specification is accurate and that Goods conforming to the Specification will be fit for their intended purpose.

3.2 To the extent that the Goods are to be manufactured in accordance with a Specification supplied by the Customer, the Customer shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other reasonable professional costs and expenses) suffered or incurred by the Supplier in connection with any claim made against the Supplier for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Supplier's use of the Specification. This clause 3.2 shall survive termination of the Contract.

3.3 The Supplier reserves the right to amend the Specification if required by any applicable statutory or regulatory requirements.

### **4. DELIVERY**

4.1 The Supplier shall ensure that:

(a) each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, all relevant Customer and Supplier reference numbers, the type and quantity of the Goods (including the code number of the Goods, where applicable); and

(b) if the Supplier requires the Customer to return any packaging materials to the Supplier, that fact is clearly stated on the delivery note. The Customer shall make any such packaging materials available for collection at such times as the Supplier shall reasonably

request. Returns of packaging materials shall be at the Supplier's expense.

- 4.2 The Supplier shall deliver the Goods to the location set out in the Order or such other location as the parties may agree (**Delivery Location**) at any time after the Supplier notifies the Customer that the Goods are ready.
- 4.3 Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location or when the Supplier notifies the Customer that the Goods are ready for collection in the event the Delivery Location is the Supplier's premises. The Supplier may decline to deliver the Goods if the Supplier believes it would be unsafe, unlawful or unreasonably difficult to do so or the Delivery Location or access to it is unsuitable for the delivery vehicle.
- 4.4 Any dates quoted for delivery are estimates only, and the time of delivery is not of the essence. The Supplier shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods. If the Customer accepts delivery of the Goods after the estimated time of delivery it will have no claim against the Supplier in respect of any losses caused by any delay in delivery of the Goods.
- 4.5 If the Supplier fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 4.6 If the Customer fails to take delivery of the Goods when the Supplier notifies the Customer that the Goods are ready, then, except where such failure or delay is caused by a Force Majeure Event or the Supplier's failure to comply with its obligations under the Contract:
  - (a) delivery of the Goods shall be deemed to have been completed at such time when the Supplier notified the Customer that the Goods were ready; and
  - (b) the Supplier shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).

- 4.7 If 10 Business Days after the day on which the Supplier notified the Customer that the Goods were ready for delivery the Customer has not taken delivery of them, the Supplier may resell or otherwise dispose of part or all of the Goods and charge the Customer for any shortfall below the price of the Goods.
- 4.8 The Supplier may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate Contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.
- 4.9 When delivery takes place at the Supplier's premises the Supplier shall have no liability for any damage which occurs in transit.

## **5. QUALITY**

- 5.1 The Supplier warrants that on delivery the Goods shall conform in all material respects with the Specification subject to any standard tolerances in relation to weight and measurement;
- 5.2 Subject to clause 5.3, if:
- (a) the Customer gives notice in writing to the Supplier within such time as would allow the Customer a reasonable opportunity to inspect the Goods following delivery that some or all of the Goods do not comply with the warranty set out in clause 5.1;
  - (b) the Supplier is given a reasonable opportunity of examining such Goods; and
  - (c) the Customer (if asked to do so by the Supplier) returns such Goods to the Supplier's place of business at the Supplier's cost,

the Supplier shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full. If the Customer does not give notice to the Supplier in accordance with clause 5.2(a) it will be deemed to have accepted the Goods.

- 5.3 The Supplier shall not be liable for Goods' failure to comply with the warranty set out in clause 5.1 in any of the following events:
- (a) the Customer makes any further use, modification, alteration, installation or processing of such Goods after giving notice in accordance with clause 5.2;
  - (b) the defect arises because the Customer failed to follow the Supplier's oral or written instructions as to the storage, commissioning,

installation, use and maintenance of the Goods or (if there are none) good trade practice regarding the same;

- (c) the defect arises as a result of the Supplier following any drawing, design or Specification supplied by the Customer;
- (d) the Customer modifies, alters, installs, commissions, processes or repairs such Goods without the written consent of the Supplier;
- (e) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions or any use, modification, alteration, installation, commissioning or processing of the Goods for which the Supplier is not responsible; or
- (f) the Goods differ from the Specification as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.

5.4 Except as provided in this clause 5, the Supplier shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in clause 5.1.

5.5 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract.

5.6 These Conditions shall apply to any repaired or replacement Goods supplied by the Supplier.

## **6. TITLE AND RISK**

6.1 The risk in the Goods shall pass to the Customer on completion of delivery.

6.2 Title to the Goods shall not pass to the Customer until the earlier of:

- (a) the Supplier receives payment in full (in cash or cleared funds) for the Goods and any other goods that the Supplier has supplied to the Customer in respect of which payment has become due, in which case title to the Goods shall pass at the time of payment of all such sums; and
- (b) the Customer resells the Goods, in which case title to the Goods shall pass to the Customer at the time specified in clause 6.4.

6.3 Until title to the Goods has passed to the Customer, the Customer shall:

- (a) store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property;

- (b) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;
- (c) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery;
- (d) notify the Supplier immediately if it becomes subject to any of the events listed in clause 8.3; and
- (e) give the Supplier such information relating to the Goods as the Supplier may require from time to time.

6.4 Subject to clause 6.5, the Customer may resell or use the Goods in the ordinary course of its business (but not otherwise) before the Supplier receives payment for the Goods. However, if the Customer resells the Goods before that time:

- (a) it does so as principal and not as the Supplier's agent; and
- (b) title to the Goods shall pass from the Supplier to the Customer immediately before the time at which resale by the Customer occurs.

6.5 If before title to the Goods passes to the Customer the Customer commits a breach of the Contract or fails to pay any sums due under the Contract to the Supplier or the Customer becomes subject to any of the events listed in clause 8.3, then, without limiting any other right or remedy the Supplier may have:

- (a) the Customer's right to resell the Goods or use them in the ordinary course of its business ceases immediately; and
- (b) the Supplier may at any time:
  - (i) require the Customer to deliver up all Goods in its possession which have not been resold, or irrevocably incorporated into another product; and
  - (ii) if the Customer fails to do so promptly, enter any premises (whether lockfast or otherwise) of the Customer or of any third party where the Goods are stored in order to recover them.

## **7. PRICE AND PAYMENT**

7.1 The price of the Goods shall be the price set out in the Order, or, if no price is quoted, the price set out in the Supplier's published price list in force as at the date of delivery.

7.2 The Supplier may, by giving notice to the Customer at any time before delivery, increase the price of the Goods to reflect any increase in the cost of the Goods that is due to:

- (a) any factor beyond the Supplier's control (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour, materials and other manufacturing costs);
  - (b) any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the Specification; or
  - (c) any delay or suspension of work caused by any instructions of the Customer or failure of the Customer to give the Supplier adequate or accurate information or instructions or any interruptions, delays, overtime, unusual hours, mistakes or otherwise caused by the acts or omissions of the Customer.
  
- 7.3 Unless agreed otherwise in writing, the price of the Goods is exclusive of the costs and charges of packaging, insurance and transport of the Goods, which shall be invoiced to the Customer. The tonnage weight charged by the Supplier may include an allowance for all wasted materials remaining after completion of any production process.
  
- 7.4 The price of the Goods is exclusive of amounts in respect of value added tax (**VAT**) or any other applicable sales taxes. The Customer shall, on receipt of a valid VAT (or other applicable sales tax) invoice from the Supplier, pay to the Supplier such additional amounts in respect of VAT (or other applicable sales tax) as are chargeable on the supply of the Goods.
  
- 7.5 The Supplier may invoice the Customer for the Goods on or at any time after despatch of the Goods to the Customer.
  
- 7.6 The Customer shall pay the invoice in full and in cleared funds:
  - (a) on delivery of the Goods to the Customer unless the Customer has an approved credit account with the Supplier; or
  - (b) if the Customer has an approved credit account with the Supplier, unless otherwise agreed in writing, by the end of the month following the month the invoice was dated.
  
- Payment shall be made to the bank account nominated in writing by the Supplier. Time of payment is of the essence.
  
- 7.7 If the Customer has an approved credit account with the Supplier, the Supplier may withdraw it or reduce the applicable credit limit or bring forward the due date for payment at any time without notice to the Customer.
  
- 7.8 If the Customer fails to make any payment due to the Supplier under the Contract by the due date for payment, then:

- (a) the Customer shall pay interest on the overdue amount at the rate of 4% per annum above the Bank of England's base rate from time to time. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. The Customer shall pay the interest together with the overdue amount;
- (b) the Supplier may exercise a lien over any property of the Customer in the Supplier's possession;
- (c) the Supplier may suspend or cancel any future deliveries of goods ordered by the Customer;
- (d) the Supplier may cancel any discount offered to the Customer.

7.9 If the Customer is to make payment for the Goods by letter of credit, the letter of credit must be irrevocable and be drawn or confirmed by a reputable UK bank acceptable to the Supplier and to be paid over a UK counter. All associated documentation will be presented to the Supplier by the Customer at the request of the Supplier.

7.10 The Customer shall pay all amounts due under the Contract in full without any set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law). The Supplier may at any time, without limiting any other rights or remedies it may have, set off any amount owing to it by the Customer against any amount payable by the Supplier to the Customer.

## **8. TERMINATION AND SUSPENSION**

8.1 The Supplier may terminate the Contract in the event that the Customer is in breach of the contract or fails to pay any sum due to the Supplier under the Contract.

8.2 If the Customer becomes subject to any of the events listed in clause 8.3, the Supplier may terminate the Contract with immediate effect by giving written notice to the Customer.

8.3 For the purposes of clause 8.2, the relevant events are:

- (a) the Customer suspends, or threatens to suspend, payment of its debts, or is unable to pay its debts as they fall due or admits inability to pay its debts, or (being a company or limited liability partnership) is deemed unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986, or (being an individual) is deemed either unable to pay its debts or as having no reasonable prospect of so doing, in either case, within the meaning of section 268 of the

Insolvency Act 1986, or (being a partnership) has any partner to whom any of the foregoing apply;

- (b) the Customer commences negotiations with all or any class of its creditors with a view to rescheduling any of its debts, or makes a proposal for or enters into any compromise or arrangement with its creditors other than (where the Customer is a company) where these events take place for the sole purpose of a scheme for a solvent amalgamation of the Customer with one or more other companies or the solvent reconstruction of the Customer;
- (c) (being a company) a petition is filed, a notice is given, a resolution is passed, or an order is made, for or in connection with the winding up of the Customer, other than for the sole purpose of a scheme for a solvent amalgamation of the Customer with one or more other companies or the solvent reconstruction of the Customer;

- (i) any event occurs, or proceeding is taken, with respect to the Customer in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in clause 8.3(a) to clause 8.3(f) (inclusive);
- (j) the Customer suspends, threatens to suspend, ceases or threatens to cease to carry on all or a substantial part of its business;
- (k) the Customer's financial position deteriorates to such an extent that in the Supplier's opinion the Customer's capability to adequately fulfil its obligations under the Contract has been placed in jeopardy; and
- (l) (being an individual) the Customer dies or, by reason of illness or incapacity (whether mental or physical), is incapable of managing his

or her own affairs or becomes a patient under any mental health legislation.

- 8.4 Without limiting its other rights or remedies, the Supplier may suspend provision of the Goods under the Contract or any other contract between the Customer and the Supplier if the Customer becomes subject to any of the events listed in clause 8.3(a) to clause 8.3(l), or the Supplier reasonably believes that the Customer is about to become subject to any of them, or if the Customer is in breach of the Contract or fails to pay any amount due under this Contract on the due date for payment.
- 8.5 On termination of the Contract for any reason the Customer shall immediately pay to the Supplier all of the Supplier's outstanding unpaid invoices and interest.
- 8.6 Termination of the Contract, however arising, shall not affect any of the parties' rights, remedies, obligations and liabilities that have accrued as at termination.
- 8.7 Clauses which expressly or by implication survive termination of the Contract shall continue in full force and effect.

## **9. LIMITATION OF LIABILITY**

- (a) death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors (as applicable);
  - (b) fraud or fraudulent misrepresentation;
  - (c) breach of the terms implied by section 12 of the Sale of Goods Act 1979;

- (a) **the Supplier shall under no circumstances whatever be liable to the Customer, whether in contract, tort (including negligence), breach of statutory duty, misrepresentation or otherwise, for any loss of profit, or any indirect or consequential loss arising under or in connection with the Contract; and**
  - (b) **the Supplier's total liability to the Customer in respect of all other losses arising under or in connection with the Contract, whether in contract, tort (including negligence), breach of**

**statutory duty, misrepresentation or otherwise, shall in no circumstances exceed the price of the Goods.**

Neither party shall be liable for any failure or delay in performing its obligations under the Contract to the extent that such failure or delay is caused by a Force Majeure Event. A **Force Majeure Event** means any event beyond a party's reasonable control, which by its nature could not have been foreseen, or, if it could have been foreseen, was unavoidable, including strikes, lock-outs or other industrial disputes (whether involving its own workforce or a third party's), failure of energy sources or transport network, acts of God, war, terrorism, riot, civil commotion, interference by civil or military authorities, national or international calamity, armed conflict, malicious damage, breakdown of plant or machinery, nuclear, chemical or biological contamination, sonic boom, explosions, collapse of building structures, fires, floods, storms, earthquakes, loss at sea, epidemics or similar events, natural disasters or extreme adverse weather conditions, or default of suppliers or subcontractors.

If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.
- (b) If any provision or part-provision of this Contract is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

**11.4 Waiver.** A waiver of any right or remedy under the Contract or law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. No failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

**11.5 Third party rights.** A person who is not a party to the Contract shall not have any rights to enforce its terms and no rights under the Contract are enforceable by any person who is not a party to the Contract under the Contracts (Rights of Third Parties) Act 1999.

12.5 The Customer is responsible for arranging testing and inspection of the Goods as described in clause 12.1 at the Supplier's premises before shipment (unless otherwise agreed). The Supplier is not liable for any defect in the Goods which would be apparent on inspection unless a claim is made before shipment. The Supplier is not liable for any damage to the Goods which arises during transit.

12.6 The Supplier is not liable for death or personal injury arising from the use of Goods supplied to or delivered in the territory of another State (within the meaning of section 26(3)(b) of the Unfair Contract Terms Act 1977).
